

Sarnen Steinbarth

Real Estate and Technology Courses

Sarnen Steinbarth, CDEI is a State of Montana Board of Realty Regulation (BRR) approved pre-license, core and continuing education course instructor and the founder of [Montana Property Education](http://www.mtpropertyeducation.com). Sarnen has years of experience as an educator and professional trainer as well as real world experience as a real estate business owner (having personally bought and sold nearly 100 rental units). He is a member of the *Real Estate Educators Association* (REEA), and has received the Certified Distance Education Instructor™ certification from the *Association of Real Estate License Law Officials*® (ARELLO). He has taught online courses through www.mtpropertyeducation.com as well as through some of the largest nationwide online real estate education companies. Sarnen's firm grasp of regulatory matters resulted in him being selected by the MT Board of Realty Regulation to develop the State of Montana 2012, 2013 and 2014 Core curriculum which included a "train the trainers" course taught by Sarnen.

Sarnen has authored and contributed to a variety of real estate and property management publications throughout the state. He has experience managing all types of real estate, including: single-family homes, multi-family complexes, storage units, commercial, and condominium/home owners associations. Sarnen is the owner of [Blue River Property Management, LLC](#) in Helena MT. Between Montana and California he has held salesperson, broker and property manager real estate licenses over the past 10 years.
